

**Drowning Deaths in Virginia  
January 1, 1999 to December 31, 2003**

**Timothy A. Powell, MPH, Epidemiologist  
Virginia Powell, Ph.D., Manager, Fatality Review and Surveillance Programs**

**Office of the Chief Medical Examiner  
Virginia Department of Health**

The following tables provide information about 600 drowning deaths that occurred in Virginia for the five year period between January 1, 1999 and December 31, 2003. These deaths were investigated by The Office of the Chief Medical Examiner (OCME) in the Commonwealth of Virginia. The OCME investigates deaths that occur in Virginia (occurrent deaths). OCME figures differ from those from the Virginia Center for Health Statistics, which reports deaths to all Virginia residents (resident deaths).
