

If your gut feeling is telling you that someone you know may want to touch a child in an inappropriate way, you can stop it before it starts. Visit www.stopitnow.org to learn about the warning signs or call **1-888-PREVENT** between 9AM–6PM Monday–Friday to speak confidentially to a professional. Child sexual abuse isn't inevitable. It's preventable.

And you can  **Stop It Now!**

“ It doesn't feel right when I see them together. ”
