	24.2%	30.1%	39.2%	39.7%	43.8%	45.7%	48.6%

Sources: *Goal being revised to twice per year; Healthy People 2010-
www.healthypeople.gov; Centers for Disease Control and Prevention-
<http://apps.nccd.cdc.gov/DDTSTRS/statePage.aspx?state=Virginia#PCP>; Data notes: Three-year averages were used to improve the precision of the annual estimates. Two-year averages were used when three years of data were not available; vaccination questions were asked every other year prior to 2001; rates are age-adjusted.
