

Grant Funding for Virginia Public Water Systems for Optimal Community Water
Fluoride at a Waterworks

=====

Application Procedure:

1. Send a letter to request to:

Dr. Lisa Syrop
Division of Dental Health
Virginia Department of Health
109 Governor Street - 9th Floor
Richmond Virginia 23219
Phone (804) 864 7781
Fax (804) 864 7783

2. The “Letter of Request for Fluoridation Grant Funding” is to be on official letterhead and include:

- A brief description of the community and its water system.
- The number of people served.
- Description of the proposed project, for example, “ I will connect my system to the City of _____ by installing 200 feet of 6” waterline”.
- If any treatment equipment is proposed, include an itemized list of equipment indicating brand and catalog number with Purchasing costs and Shipping costs.
- Planning and Engineering costs can be included.
- Construction and installation costs necessary for optimal fluoridation levels are eligible. Include a cost estimate.
- Signature by the Town Manager or Utilities Director.

3. The grant cycle concludes in June of each year and payment is based on the reimbursement of paid invoices received by **June 1** from the grant recipient. New applications are accepted following the June 1st completion date and are open throughout the year.
